# Training Curriculum: Coding with MedDRA Quiz

MedDRA

## Question 1

Which of the following are not in the scope of MedDRA?

- a) Rheumatoid arthritis
- b) Joint pain
- c) Penicillin 500 mg tid po
- d) Penicillin allergy
- e) 57 year old male
- f) Device related infection
- g) Impaired driving ability

MedDRA

## Question 1 - Answer

Which of the following are not in the scope of MedDRA?

- a) Rheumatoid arthritis
- b) Joint pain
- c) Penicillin 500 mg tid po
- d) Penicillin allergy
- e) 57 year old male
- f) Device related infection
- g) Impaired driving ability

MedDRA

## Question 2

Which of the following statements about non-current terms are true?

- a) They are not recommended for continued use in coding
- b) They are deleted from MedDRA
- c) They are retained in MedDRA to preserve historical data for retrieval
- d) They include terms that do not fit MedDRA rules
- e) They are only found at the LLT level

MedDRA

## Question 2 - Answer

Which of the following statements about non-current terms are true?

- a) They are not recommended for continued use in coding
- b) They are deleted from MedDRA
- c) They are retained in MedDRA to preserve historical data for retrieval
- d) They include terms that do not fit MedDRA rules
- e) They are only found at the LLT level

MedDRA

## Question 3

What should be the first step for handling a verbatim report of "COLD" ?

- a) Code as Cold
- b) Code as Chronic obstructive lung disease
- c) Code as Feeling cold
- d) Attempt to obtain clarification from reporter

MedDRA

## Question 3 - Answer

What should be the first step for handling a verbatim report of "COLD" ?

- a) Code as Cold
- b) Code as Chronic obstructive lung disease
- c) Code as Feeling cold
- d) Attempt to obtain clarification from reporter

MedDRA

## Question 4

Which of the following statements is not true?

- a) Primary SOC allocations are pre-defined
- b) Coders should choose the most appropriate primary SOC when coding
- c) Primary SOC allocations should only be changed through the MSSO's Change Request process

MedDRA

## Question 4 - Answer

Which of the following statements is not true?

- a) Primary SOC allocations are pre-defined
- b) Coders should choose the most appropriate primary SOC when coding
- c) Primary SOC allocations should only be changed through the MSSO's Change Request process

MedDRA

## Question 5

Which of the following statements about the MedDRA Term Selection: Points to Consider document are true?

- a) It is endorsed by the ICH
- b) It is updated with each release of MedDRA
- c) Its objective is to promote accurate and consistent term selection
- d) Users have to follow the preferred options
- e) It is recommended to be used as the basis of organizations' own coding guidelines

MedDRA

## Question 5 - Answer

Which of the following statements about the MedDRA Term Selection: Points to Consider document are true?

- a) It is endorsed by the ICH
- b) It is updated with each release of MedDRA
- c) Its objective is to promote accurate and consistent term selection
- d) Users have to follow the preferred options
- e) It is recommended to be used as the basis of organizations' own coding guidelines
